

BHAVANAM VENKATA PRAGATHI

Data Analyst | AI/ML & GenAI Developer

Email: pragathireddy631@gmail.com

LinkedIn: www.linkedin.com/in/pragathi-reddy

Education: B.Tech - Information Technology (AI & ML), Narasaraopeta Institute of Technology, 2021-2023

Intermediate - MPC, Gitams Junior College, Vinukonda, 2019-2021, 73 percent

SSC, Gitams High School, Vinukonda, 2018-2019, CGPA 8.8

Skills: Python, Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn, Gemini, LLaMA, Ollama, Hugging Face

Projects:

1. Flight Ticket Price Predictor - ML regression workflow with cleaning, EDA, feature engineering, and model training
2. CodeMedic - GenAI debugging assistant using Google Gemini for analysis, explanations, and suggestions
3. Personalized Q&A Knowledge Base - LLaMA and RAG system using embeddings, indexing, and retrieval

Certifications and Learning: Data Science Internship - AICTE (NT&CS); AI & ML Workshop - Airbaclab

Activities: IEEE Member; Volunteer Group Leader; national workshop participation; continuous AI/ML learning
